

## SPONSORING POSSIBILITIES GEONG 2016

Becoming partner for the organization of 2016's GeOnG represents a great opportunity to intervene in a forum that promises to tackle the challenges and most pushing subjects on Geographic Information for Relief and Development. Our partnerships offers the chance to propose a subject related to this year's theme "*Lessons from the past, shaping the future*", which aims to discuss the impact of new technologic tools in Humanitarian activities.

Each partnership comes with a set of benefits during the conference as well as in the aftermath. We aim to give our partners as many opportunities as possible to exchange and share their ideas and experiences with other professionals and organizations. Connect, discover and share.

We have arranged a series of advantages subscribed under three different partnerships that aim to make our sponsors a big part of the conference and its success.

With the **Silver Partnership**, you will have a booth in the conference venue, which would be strategic and easy-accessible for attendees. Additionally, this partnership will guarantee the visibility, your logo will be present in the official Forum flyer, attendees' information brochure and documents, amplifying the visual impact of your organization throughout the event.

**Gold partnership** will have the benefits of the **Silver** level, plus the opportunity to present your solutions during a hands-on workshop for the participants. Furthermore, you will get three free inscriptions as well as mentions on media and communication carriers. Additionally, you will be able to provide goodies that will go into the bag distributed to attendees.

The **Platinum Partnership** will include advantages of the previous levels plus the access one-week in advance of the attendees' list; this to allow our partners to benefit from personal networking spaces, that will be made available, making them more efficient. Furthermore, your contributions will be included in the final conference report, highlighting their support and contributions to the forum.

For platinum partners, we offer the opportunity to address the public reunited for the most attended part of the event, the plenary and closing sessions. We will also consider other suggestions from the Platinum partners (goodies, sessions, etc.). Additionally, you will have four free inscriptions.

This year's edition is quite significant for us, as it marks the 10<sup>th</sup> anniversary of our organization. As such, we will have a gathering to celebrate in which **gold** and **platinum** partners will be invited.

In the graphic below you will find a summary of the details and fees corresponding each partnership:

Partnership		Platinum (3500€)	Gold (2000€)	Silver (750€)
<b>Connect</b>	Logos and visibility			
	Mentions in media and networks			
	Facilitate networking spaces			
	Address the public during the plenary session			
	Address the public during the closing session			
<b>Share</b>	Booth in the venue			
	Distribution of goodies for the attendees			
	Present solutions and ideas in a workshop			
	Contributions in the final report			
<b>Discover</b>	Access and invitations	4	3	2
	Access to 10 <sup>th</sup> anniversary gathering			
	Access to attendees' list (one week before the event)			

We highly value the involvement of those interested in the success of this one-of-a-kind event.

*If none of our partnerships formats suits your needs and you want to get involved, we are open to discuss conditions for a customized support in the success of GeOnG 2016. We are positive that one of our partnerships will fit you, complying with your convenience and your desire to get involved.*
